2002 ⁴	5,980	6,550	31.40		2,132	2,582	19	2,601

¹Adjustments made for inshipments and changes in inventory.

²Excludes custom slaughter for use on farms where produced and inter-farm sales within state.

³Receipts from marketings and sale of farm slaughter.

⁴ 2001 was revised downward to reflect a correction in the type/size animal being marketed/removed from Delaware. The series may be revised for years prior to 2001 following more extensive research.
